

Goal: Reply to +18407874306 with message: Yoga class every Tuesday and Thursday at 6 PM. in Simple SMS Messenger.

**Reflection:** The expectation from the previous step was to open the Simple SMS Messenger app by tapping on its icon. The current screen content shows the Simple SMS Messenger app's ...

**Summary:** The overall task objective is to send the message "Yoga class every Tuesday and Thursday at 6 PM" to +18407874306 ...

**Planning:** To achieve the final goal, the plan is to: **first**, initiate a new chat; **second**, enter the recipient's phone number (+18407874306); **third**, compose the message ...

**Reasoning:** The core component on the current screen is the "Start chat" button. The key point of the task objective in the current step is to initiate a new chat. Therefore, I need to tap on the "Start chat" button.

**Grounding:** Based on the reasoning, the current action should be to tap on the "Start chat" button. **The button is located at the bottom right of the screen**, a prominent blue circle with a white chat bubble icon. Therefore, I should tap on the "Start chat" button.

## Action:

```
<tool_call>
{"name": "tap", "arguments": {"point": {"x": 824, "y": 886}}}
</tool call>
```

**Expectation:** The purpose of this action is to open the new chat interface. This action will likely result in a new screen appearing ...
